Hotbodies Bodywork Pays ARL Riders '08

Acceleration Racing offers \$3600 in contingency to ARL riders.

Halifax, N.S. – Hotbodies Bodywork through Acceleration Racing is leading the way in rider support for 2008. Atlantic Roadracing League Inc. with Acceleration Racing is pleased to announce the first bodywork contingency program in Maritime roadracing history. Hotbodies is committed to Canadian Racers through Clint McBain's Acceleration Racing Team. Bodywork can be purchased direct from Acceleration Racing on their secure website at www.accelerationracing.com.

Hotbodies Bodywork is extremely flexible and durable, easy to install and resists cracking. It features carbon fiber reinforced mounting points and all leading edges have extra fabric to guarantee a durable set of bodywork that will hold up to the high demands of road racing and primed to make painting easy. ARL is pleased to be working with Acceleration Racing in 2008, "we couldn't be happier to work with Clint and his organization, he's the defending Maritime Roadracing Champion and he and his Acceleration Racing Team have always been very generous in Atlantic Canada." said Terry Steeves, *Partner - ARL*. Acceleration Racing will offer 2008 contingency to the Atlantic Roadracing League Inc competitors in all regional events for the Pro and Amateur 600, Pro and Amateur Open, and Pro and Amateur Superbike classes. Competitors must use Hotbodies Racing bodywork and run Hotbodies and Acceleration Racing decals on both sides of their bodywork to be eligible. Further details will be available at www.atlanticroadracing.com.

Payouts: (all payouts will be issued via certificates from Acceleration Racing to be used against the purchase of Hotbodies race bodywork at full retail value)

1st place - \$50.00

2nd place - \$30.00

3rd place - \$20.00

ARL encourages all competitors to support those who support the sport.
